

Oxspring School PTA Duck Race 2015

Would like to say a great big

Thank you!

Thank you for coming along and enjoying an amazing evening, for buying and selling duck tickets and for donating prizes and your time. All of which helped to make the 25th annual Duck Race a huge success.

We have raised an outstanding total

£3,200

This money will go a long way towards enriching our children's time at school. In the past year alone the PTA have helped to fund

- £250 to each class for equipment and resources
- Coach travel for the pantomime and theatre trips
- New chairs for classroom five
- Special blocks and light box for class 1
- £100 to the school council for a special project
- Grant towards the new school piano
- Coach travel for the Flamingoland trip for year 6 students
- Drama workshops
- Drumming event day
- Base for new green house
- SATS breakfast club food
- Story teller event day
- Year 6 leaving books

We look forward to continuing to help support our school and with your help we can only go from strength to strength.

So once again thank you!
