

I became a co-opted governor in October 2020. I live in Sheffield and have three grandchildren living in Penistone. My oldest grandchild is five years old and attends Oxspring Primary School.

I retired from my post as Admin/Finance Officer in a primary school at Christmas 2019, having been employed there for 13 years. During this time, I was also Clerk to the Governing Body for over 10 years. Previously I worked as a part-time Admin Officer/Classroom Support at a local Sheffield primary school and before that I was a bank clerk.

As a mother I always took an active interest in my daughters' education. With this in mind I decided to become a school governor and help Oxspring school to provide the best education possible in a caring, supportive environment. With my past financial experience and knowledge of primary education, I hope to contribute by providing any help and guidance I can to the governing body.
