

Paula Ducker

Paula has been an elected Parent Governor since 2013. Her area of speciality within the Governing Body is health and safety.

She has lived in the village for 17 years with her husband and three children. She is self-employed as a Health & Safety Consultant working with a variety of companies throughout the area.

Paula joined the Governing Body to support the school, to be able to give the children who attend Oxspring Primary the best possible education and life experiences, through the positive learning environment provided by the Teachers and Senior Management Team.
