

I have two young children at Oxspring Primary School and love our school community, without a doubt it's a very welcoming environment. Oxspring should be extremely proud of its teachers, the wider staff team and also its PTA, which has evolved massively in the past few years.

I'm a busy parent, balancing work and family life can be challenging but I try my best. I enjoy reading, trying to keep fit (when I have time!) and generally having fun with family and friends. I'm a member of local networking group for self-employed people and in the past have supported the girl guiding movement as both a unit leader and a learning mentor.

As a parent governor I bring not only creativity and passion to the board of governors but a wealth of marketing (both traditional and digital), finance and performance management and business development skills.

I'm happy to challenge to ensure we are making the best decisions for the future of our school and our children.

Laura Brown
