

Richard Abdy

Family – Eliza (year 1) Stephen (starting in September) plus 1 nephew and 3 nieces and counting!

Interests etc:

Director of Wentworth Pewter (long established pewter gift manufacturers based in Sheffield)

Trustee of Sheffield Industrial Museums Trust (Kelham Island, Abbeydale Industrial Hamlet, Shepherds Wheel)

Member of various other company boards and trusts

Hobbies – long distance walking, local history, football, cricket

I'd like to be a governor to help the school in any way I can – supporting staff and students as requested whilst offer critical advice and guidance where possible.

I feel I could bring something to the school through my links to local industry and tourism plus my experience of running a company for the past several years and all that entails

Fundamentally I feel a close connection to a school where I was, albeit briefly and a long time ago, a proud student and now a proud parent.
