

Please find below the homework grid for this half term. Our topic this half term is Roll up! Roll up! It's the circus! There are opportunities for writing, maths and creativity. Please feel free to record it using photographs, videos, models, drawing and writing. Homework may be **completed once a week**, and returned by a Thursday into the homework drawer outside the classroom. Homework that has been returned will be marked, and shared, on Friday.

In response to parent feedback, year 1 maths homework will be set once a fortnight. Year 2s will continue to be set once a week. Spellings are sent out on a Monday, to be tested on a Friday.

Please read as much as possible with and to your child, as this is vital for their reading skills to develop, and will create a reading culture within our classroom.

Create a model circus	Learn a dance to a song from the Greatest Showman
Make a poster asking people to come and visit your circus	Learn and perform a song from the Greatest Showman
Teach yourself to juggle	Make an acrostic poem for the word 'circus'
Practise forming your numbers 0-10. You could write them in glitter, felt tip, make them in sand.	Draw some part whole models to show number bonds to 10 (or 100 if you want a challenge year 2s!)
Count in 2s, 5s and 10s	Draw the teen numbers using ten frames or chips and peas

Christmas ideas

Write a Christmas wish	Make a Christmas decoration
Draw Santa's workshop - how many shapes can you use?	Write a list of rules for children to follow to be good for Santa
