Headteacher: Mrs Sharon Irwin

15th July 2019

Dear Parents / Carers

School Dinners

I am writing to inform you that Barnsley Schools' Catering Service have made some significant changes to the menu choices from September 2019.

The new menus will be on a 2 week cycle (rather than 3) and have some new additions, which include items such as tacos, homemade calzone, hot roast sandwiches, a Katsu quorn dipper 'naanwich' and breakfast muffins, along with a range of other options.

Unfortunately, the choice of daily cold sandwiches will no longer be an option for us and there will be a reduction in the number of pasta days on offer. We are currently in negotiation with the Catering Service, along with several other schools, who feel that the withdrawal of cold sandwiches will impact on our offer for many of the younger children.

Our cook, Mrs Langridge, will provide our children with an option to sample the new menu choices if they would like to do so, which will hopefully encourage them to try the new dishes.

Once the final menus have been confirmed in the next few days, we will share these with yourselves and ensure that they are uploaded to the school website.

Kind regards

Sharon Irwin
