23rd June 2020

Dear Parents / Carers

Phased Wider Opening for Reception Children Rota Updates

I hope that you and your family are well. Since the wider reopening of school, your children have been an absolute credit to you. It has been really lovely to hear the sounds of fun and laughter from more children in and around school. The staff and I are also very proud to see just how well the children have adjusted to the new 'norm' that we currently have within the Class 1 provision.

Following our recent review of the provision for the children in Class 1, we have had a few more requests from families wanting to access this, so we have therefore had to change our plans as a result of an increase in numbers. Key worker children will continue to attend the Class 1 bubble in line with work rotas. For the non-key worker children, we are still able to offer your child the same number of sessions, but we have had to change some of the days to accommodate this, in line with our risk assessment.

The office staff will therefore contact **the non-key worker parents** shortly to let you know the details of the specific days that your child will be in school from week beginning Monday 29th June for the last 3 weeks of term.

The start and end times will be the same as per the June rota, ie:

- Key worker from **8.45am to 3.30pm**
- Non-key worker children from **9.15am to 3.15pm**.

As per Government guidance, attendance is still not compulsory - it is parental choice. However, if your child is unable to attend their sessions, please do inform the school office of the reasons for this as soon as you possibly can.

Many thanks for your continued support and understanding.
Take care and stay safe and well.
Warmest regards
Sharon Irwin
