Co - Chair of Governors: Mr M. Cassidy/ Mrs G. Mahoney

Date: September 2021

Review date: September 2022

'Learn, Endeavour, Aspire, Respect, Nurture'

SCHOOL BEHAVIOUR POLICY

Oxspring Primary School

SCHOOL BEHAVIOUR POLICY

Our School's Mission: 'To be a learning community with a culture of ambition and achievement'

Our Vision: 'Embracing Learning - a school for all'

Our motto: 'Learn, Endeavour, Aspire, Respect, Nurture'

Our Values:

1. AIMS AND PURPOSE

The aim of this policy is to ensure that Oxspring Primary School is a happy, thriving community which is calm, purposeful and caring, based on mutual respect which keeps children, staff and visitors feeling safe in our school environment.

Expectations for behaviour and attitudes to learning at our school are high. As a result, the children work hard, behave very well and make us proud every day. It is important however that we continue to maintain the current high standards and that we have clear guidelines in place for any occasions where these high standards are not adhered to.

At Oxspring, we strongly believe that a child's education is a partnership between school and family. We work closely together with our families to make Oxspring Primary School a safe and nurturing environment where all children can be the best they can be and who understand and agree to abide by our school values (see the above paint palette of values).

We encourage positive relationships and communications between home, our community and the wider world. We believe that when a child's education is effective and successful, it is because the school and family have supported each other and worked towards a common goal.

We want children to leave our school as well-rounded citizens with a respect for themselves, their peers, their family, property and members of the public who share their community. In particular, Oxspring Primary School has an inclusive approach to our provision. Our aim is to always involve all of our children in all areas of our school life and have a voice.

We aim to show children that we can improve our lives through sharing strengths, helping others, caring about each other and having fun. Our overall vision of 'embracing learning - a school for all', along with our motto of 'learn, endeavour, aspire, respect and nurture' will help support pupils to improve their behaviour and consider the feelings and safety of others.

At Oxspring School, good behaviour is seen as an essential element in quality teaching and learning. We believe that promoting outstanding 'behaviours for learning' is the key to successful progress and attainment. Teaching time **should and must not** be lost to inappropriate behaviour no matter how insignificant. If children are engaged in their learning and want to improve, then behaviour will be positive. We encourage children to learn collaboratively wherever possible to ensure that children are confident enough to communicate and solve problems with a wide range of staff and class mates.

The encouragement of excellent behaviour through a range of means within the school is also seen as a major contributory factor in empowering each individual to take his/her rightful place within the community and world environment.

The policy is underpinned by the central aims of the school and values held by the staff, pupils, parents and governors at the school.

This policy aims to:

- Provide a consistent approach to behaviour management
- Define what we consider to be unacceptable behaviour, including bullying and peer on peer abuse
- Outline how pupils are expected to behave
- Summarise the roles and responsibilities of different people in the school community with regards to behaviour management
- Outline our system of rewards and sanctions

PURPOSE OF THIS POLICY

- To ensure everyone in our school environment feels safe and is safe.
- To promote a positive self-image for everyone in school.
- To encourage children to care and have respect for the school environment and those people within it.
- To encourage children to be well-mannered to everyone.
- To foster a sense of responsibility for themselves and their own actions.
- To develop a positive approach to all aspects of school life.
- To set high expectations for everyone to achieve their best and to play an active part in the life of the school.

It takes into account statutory requirements and guidance which is listed below. **(See also Appendix 1).**

This policy sets out measures (as part of our legal duty) to:

- (1) Promote good behaviour, self-discipline and respect.
- (2) Prevent bullying and peer on peer abuse
- (3) Ensure that pupils complete assigned work.
- (4) Regulate pupils' conduct - Section 89 (1) of the Education and Inspections Act 2006.

When deciding what these measures are, the Headteacher has taken into account the Governing Body's statement of behaviour principles. The Headteacher has regard to any guidance or notification provided by the Governing Body which includes the following:

- Screening and searching pupils,
- The use of reasonable force,
- Disciplining pupils beyond the school gate,
- When to work with other local agencies to assess the needs of pupils who display
- Continuous disruptive behaviour,
- Pastoral care for staff accused of misconduct.

2. LEGISLATION AND STATUTORY REQUIREMENTS

This policy is based on advice from the Department for Education (DfE) on:

- [Behaviour and discipline in schools](#)
- [Searching, screening and confiscation at school](#)
- [The Equality Act 2010](#)
- [Use of reasonable force in schools](#)
- [Supporting pupils with medical conditions at school](#)
- [See also Keeping Children Safe in Education 2021](#)
https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/1021914/KCSIE_2021_September_guidance.pdf

It is also based on the [special educational needs and disability \(SEND\) code of practice](#).

In addition, this policy is based on:

- Section 175 of the [Education Act 2002](#), which outlines a school's duty to safeguard and promote the welfare of its pupils
- Sections 88-94 of the [Education and Inspections Act 2006](#), which require schools to regulate pupils' behaviour and publish a behaviour policy and written statement of behaviour principles, and give schools the authority to confiscate pupils' property
- [DfE guidance](#) explaining that maintained schools should publish their behaviour policy online

3. ROLES AND RESPONSIBILITIES

Behaviour Management is the responsibility of **all** stakeholders at Oxspring Primary School. We are committed to encouraging good behaviour in an atmosphere of mutual respect. A clear school behaviour policy, consistently and fairly applied, underpins effective education. All stakeholders should be clear of the high standards of behaviour expected of all pupils at all times.

We wish to acknowledge the responsibility of all those in the school community - teaching and non-teaching staff, governors, parents and pupils in achieving this aim.

The Responsibilities of the Headteacher

- It is the responsibility of the Headteacher to implement the school behaviour policy consistently throughout the school, and to report to governors, when requested, on the effectiveness of the policy.
- The Headteacher supports the staff by implementing the policy, by setting high standards of behaviour, and by supporting staff in the implementation of the policy.
- The Headteacher supervises records of all reported serious incidents of misbehaviour.

- The Headteacher has the responsibility for giving fixed-term exclusions to individual children for serious acts of misbehaviour. For repeated or very serious acts of antisocial behaviour, the Headteacher may permanently exclude a child. Both these actions are only taken after the Governors have been notified.

The role of the Governing Body

- The Governing Body has the responsibility of setting down these general guidelines on standards of discipline and behaviour, and of reviewing their effectiveness.
- The Governors support the Headteacher in carrying out these guidelines. The Headteacher has the day to day authority to implement the school behaviour and discipline policy, but the Governors may give advice to the Headteacher about particular disciplinary issues.
- The Headteacher must take this into account when making decisions about matters of behaviour.

The role of staff

Staff are responsible for:

- Implementing the behaviour policy consistently
- Modelling positive behaviour
- Providing a personalised approach to the specific behavioural needs of particular pupils
- Recording behaviour incidents (see appendix 3 for a behaviour log)

The senior leadership team will support staff in responding to behaviour incidents.

The role of parents

Parents are expected to:

- Support their child in adhering to the expectations as listed below in the role of pupils
- Inform the school of any changes in circumstances that may affect their child's behaviour
- Discuss any behavioural concerns with the class teacher promptly

The role of pupils

Pupils are expected to:

- ✓ Show respect to members of staff and each other
- ✓ Behave in a calm, kind, orderly and self-controlled way
- ✓ In class, make it possible for all pupils to learn
- ✓ Move quietly around the school

- ✓ Treat the school buildings and school property with respect
- ✓ Wear the correct uniform
- ✓ Accept sanctions when given
- ✓ Refrain from behaving in a way that brings the school into disrepute, including when outside school

4. WHAT OUR BEHAVIOUR POLICY LOOKS LIKE IN PRACTICE

The school, pupils and parents are all jointly responsible for ensuring a positive climate for learning in school. Their rights and responsibilities can be found in **Appendix 2**.

SCHOOL ORGANISATION AND ROUTINES

- It is essential that staff develop and maintain good relationships with children and each other by showing and expecting respect; by encouraging children to be polite, by setting good examples and by being approachable.
- At the beginning and end of the school day the children enter and leave the school in an orderly fashion.
- Children enter and leave the hall for assembly quietly and show respect for each other, staff and visitors.
- Throughout the day, children are expected to move around all areas of school in a calm, safe, respectful and responsible manner. In the corridors, children walk (and use the steps) safely. Staff supervise orderly movement around school at all times
- At play times and dinner time the children are directed to the appropriate area (dining hall, playground, classroom etc.) by staff. Children are encouraged to use playground facilities and games. Supervising staff follow the 'good to be green' system when dealing with inappropriate behaviour.
- To gain the attention of children, we use a signal, a raised arm, clapping, bells, music etc. (indoors) or a bell (outdoors) and we avoid shouting.
- Children are constantly encouraged and expected to adhere to our agreed values and whole school / class expectations.
- We use proximal praise where children following the rules are brought to the attention of other children and used as role models.
- Around the school, staff and other adults insist on a reasonable noise level and intervene when necessary.
- Children are not to be left unsupervised in any area of the school at any time.

'GOOD TO BE GREEN' SYSTEM

Our philosophy is to notice good behaviour and give attention to children making right choices. This is very effective in encouraging children whose inclination might be to make the wrong

choices, to be noticed for doing the right thing! We have a very positive attitude towards discipline, awarding children individual, class or whole school rewards for good effort and attitude.

The 'Good to be Green' code has been devised to ensure that children in all classes have clear and age appropriate guidelines for their behaviour. The code includes consequences for those who fall below acceptable standards. Our role is to communicate such (very rare) incidents in a timely fashion and ensure that any inappropriate behaviour is addressed through clear consequences and support for children.

'Good to be Green' Behaviour Scheme

The 'Good to be Green' scheme is an effective way of promoting positive behaviour, rewarding those pupils who consistently behave appropriately, and is a means of being able to track those pupils who find it harder to meet the school's expected code of behaviour within this policy.

The scheme is very visual, with child friendly resources, which allow our pupils to easily see how they are doing in class. We believe that it is important to promote a positive message regarding behaviour management at all times; 'Good to be Green' is a means of promoting our high expectations of positive behaviour. If a child has not had a positive day, they can start afresh the following day.

Every child starts their day on a positive note with a green card displayed in their pocket of the Class Chart. The card says, 'It's Good to be Green!' and the children soon learn to associate being on green with a feeling of having made the right choices. Children who follow the steps all week will remain GOOD to be GREEN! This means that they will be rewarded and they will receive the wide range of privileges on offer in the school such as merit points, certificates, chance cards, privileges and rewards. At Oxspring, we work hard as a team of staff to create as many broad and exciting opportunities as possible for the children. In order for children to access those opportunities, children must work hard and follow the school's high expectations at all times.

Throughout the day, if a child has to be warned of any inappropriate behaviours, they will be given a verbal warning. If a child presents: *Disruptive behaviour *Lack of effort *Low level behaviour *Name calling or not sharing at playtimes *Disrespect to each other or staff then they will have their name placed on AMBER. This means that they have received an instant warning that their behaviour is not acceptable and we expect that it will improve rapidly. Children can be moved back to green as soon as they rectify their behaviour and show that they are now following our expectations. Parents should note that if your child is on amber we will not routinely contact parents but staff will log amber warnings. Where children are regularly being placed on an amber warning, we will contact a parent to discuss our concerns and potential consequences may be enforced. An orange card would equate to 5 minutes off playtime.

If a child is already on an orange warning card, and they have to be told again of continued inappropriate behaviour, then they are moved onto a red consequence card.

Sometimes, just a reminder that a child will move onto a red card is enough to encourage them to behave appropriately. However, if necessary, the child's orange warning card will be moved to the back of the pocket and the red consequence card will be displayed. This means

that they will receive notification so that a consequence is made clear at the point of the incident. A red card would then have a consequence of loss of playtime, see a member of the SLT and parents will be informed. Persistent red card behaviour could result in a temporary/ permanent exclusion,

For DFE guidance and procedures, see <https://www.gov.uk/government/publications/school-exclusion>

When a red warning is applied, a log will be kept by the Headteacher. Behaviour summaries will be shared with parents (when necessary or requested) and with the Governing Body will be updated via the termly HT report.

5. HOW DO WE PROMOTE GOOD BEHAVIOUR?

All positive behaviour - achievement, hard work, politeness, consideration, being responsible, helpful, staying on the green traffic light etc. are rewarded at Oxspring Primary School. We consider that praise is the best way to improve self-esteem and behaviour and so we work hard to '*catch children being good.*'

Children are given clear guidelines of the appropriate behaviour and expectations in all areas based on our values which all staff

expect the pupils to abide by.

The policy is applied equally before school activities, playtimes, lunchtimes, lesson times, school trips and clubs that happen after school and during holidays, as well as at our out of school club.

The behaviour policy is supported through a variety of different strategies which include our:

- planned curriculum work
- learning for life curriculum (Social and Emotional Aspects of Learning)
- whole school and class assemblies
- teaching and learning styles
- well organised school routines
- high expectations and consistency from all staff
- specific support for those experiencing difficulty

REWARDS FOR GOOD BEHAVIOUR

The staff at Oxspring School feel it is very important to stress that good behaviour is beneficial to all and is a reward in itself. It is expected of all pupils regardless of personal gain. However, staff recognise the motivating effects of certain rewards and privileges and the importance of developing self-esteem. It is essential that what is being rewarded is made clear to the individual child; this will also ensure that the correct signals are sent to the other children. This in turn will motivate other children to succeed or achieve. Rewards are applied fairly and consistently - every child is entitled to a reward at some time.

The rewards we give include:

- verbal praise for individuals
- verbal praise in front of large groups
- special privileges or responsibilities within a class depending on the age and ability of a child or a group
- the awarding of 'Chance cards' for any child who consistently behaves very well or who demonstrates very caring attitudes, respectful behaviour and exemplary manners
- regular excellent learning assemblies are held to highlight good behaviour and good work
- the awarding of house points for good work and half termly house point assemblies
- Use of the 'Good To Be Green' system for behaviour (as outlined above). An age appropriate 'rainbow and cloud' is used in Class 1 alongside other age appropriate class celebrations and stickers.
- Headteacher awards and special mentions

6. UNACCEPTABLE / INAPPROPRIATE BEHAVIOUR

EVERYONE KNOWS THAT HURTING ANYONE IS WRONG AND THAT BULLYING IS UNACCEPTABLE AT OXSPRING PRIMARY SCHOOL.

THERE IS NO PLACE FOR RACISM, VIOLENCE, BULLYING OF ANY KIND e.g. PHYSICAL, VERBAL, EMOTIONAL, CYBER BULLYING, VANDALISM, RUDENESS OR BAD LANGUAGE WITHIN OUR SCHOOL AND THESE WILL ALWAYS BE DISCOURAGED, ADDRESSED AND ERADICATED.

(See also Oxspring Primary School's Anti Bullying policy)

Reference should also be made to the Barnsley Safeguarding Children's Partnership Anti-bullying Strategy which was updated in October 2020 with new links added to resources for addressing bullying linked to race/faith, and resources to help make schools, colleges or other settings LGBTQ+ inclusive:

https://www.proceduresonline.com/barnsley/scb/p_bullying.html?zoom_highlight=anti+bullying

At Oxspring Primary School we wish to promote racial equality and eradicate all forms of bullying. Racial harassment and bullying will not be tolerated. Adults are expected to follow reporting procedures as outlined in our Race Equality policy.

Bullying is perceived to be taking place when a child is repeatedly targeted in a manner that makes them uncomfortable, unhappy or feel unsafe. If you suspect that your child is being

bullied, and have significant reason to believe that this is the case, then you should contact your child's class teacher for an appointment at the earliest opportunity.

Physical behaviours like hitting, kicking or biting are not accepted in school. Children can be incredibly boisterous and many see 'fighting' as an activity of play. This cannot be accepted and we urge parents to ensure that all pupils follow the simple guide statement, 'keep your hands and feet to yourself.' Pushing, shoving, hitting, kicking and biting will all be punished instantly through our Good to Be Green system. Where there is an incident when a child has been physically harmed, and we are aware of this, we will make every effort to contact a parent of each child involved as soon as possible.

Cyber-bullying is becoming an increasing issue in society. Our older children occasionally fall out about the content of Facebook pages and text messages, for example. The school supports the legal view that primary aged children should not access these communication tools until they are responsible young adults but, where parents insist, we are keen to educate our pupils about the dangers of Cyber-bullying so that they can be safe and happy. Please record any details if you or your child is being bullied through modern technologies or social media. On some occasions if it is likely to be from out of school hours, we can advise and provide support to parents / carers about what to do next. On some occasions the school may contact the police about Cyber-bullying. Please refer to our E-safety Policy for full details about Cyber-bullying.

Peer-on-peer abuse should always be reported whether it happens inside or outside of our school. All concerns are logged by senior staff and followed up robustly through both this behaviour policy, where appropriate, and support or further education about keeping ourselves and others safe. Please refer to our Peer on Peer Abuse Policy and Child Protection Policy for full details in line with Keeping Children Safe in Education September 2021.

At Oxspring we always take pride in the manners and respect that our children display. We will continue to take pride in table manners, politeness and general attitudes to every single visitor, staff member, child, parent or adult. Simple reinforcement and praise are the way to promote effective attitudes. We encourage children to welcome everyone each morning, to hold doors open for each other and staff and to always show manners when collecting resources or their school meal from the catering team.

Foul and inappropriate language is not welcome in our school. We have pupils as young as four years old on site and we need to respect the sanctity of youth and keep such language out of our school. When such an incident is reported we will always explore it by speaking to the child and any witnesses and contact parents / carers.

SANCTIONS FOR UNACCEPTABLE BEHAVIOUR

Staff will remind children of our values and expectations to allow self correction. Restrictions to any part of the school curriculum are not acceptable e.g. PE. Class work e.g. Maths, Writing etc. will never be given as a sanction as this gives a negative image to these subjects / activities. Earned rewards will not be withdrawn for inappropriate behaviour. The majority of incidents will be dealt with by the adult responsible at the time to maintain equality of status for all adults working in school. Sanctions where possible will be immediate and of short duration. It is necessary to have an escalating scale of sanctions

for different kinds of incidents. Sanctions are related to breaking our whole school and class expectations.

The sanctions we use include:

- non verbal e.g. shaking head
- ignoring attention-seeking behaviour
- a quiet word
- repeating a task if necessary
- a verbal warning
- warning - 5 minutes time out - is to give children time to think about their behaviour. This can be standing for a short time against the wall at playtimes and lunchtimes. Time out can also be applied in the classroom e.g. child sitting by herself/himself if necessary.
- 'Good to be Green' card system - orange and red cards issued (see above)
- as a last resort or for a serious breach of school rules a child may be excluded initially for a fixed period of time but the school reserves the right to exclude permanently.

If the school has to use reasonable sanctions to punish a child, parents would be expected to support the actions of the school. If parents have any concerns about the way that their child has been treated, they should initially contact the class teacher. If the concern remains, they should contact the Deputy Headteacher or Headteacher. Any parent or carer can appeal against a sanction that they believe has been applied unreasonably. A formal grievance or appeal process can be implemented through the Governors, in line with the processes outlined in the Complaints Policy (available on the school website or via the school office).

CONFISCATION

The sanction of confiscation must be applied in a reasonable and proportionate way. The aim pursued in confiscating property is maintaining an environment conducive to learning - one which safeguards the rights of other pupils to be educated with regard to health and safety, threats to good order and the ethos of the school.

At Oxspring Primary School, all adults have the authority to take or dispose of the following items; *chewing gum, paper ball, paper clip, blu-tack etc.* All adults have the right to take but not dispose of the following items: *toy, mobile phone, MP3 player etc.* Such items will be returned at the *end of the school day.*

Exceptions to the above include material that it is inappropriate or illegal for a child to have such as a cigarette lighter, penknife, adult literature. This material will be referred to the Headteacher, who will decide on the most appropriate action to take, followed by a letter to parents / carers confirming the reasons for such action. The material may need to be stored safely until a responsible family adult can come to retrieve it if appropriate.

Items prohibited or banned from school:

The following items are prohibited or banned from school:

- fire lighting equipment (matches, lighters, etc.)
- knives, including pen knives and craft knives
- firearms and any other weapons
- alcohol and solvents
- illegal drugs
- stolen items
- tobacco and cigarette papers
- fireworks
- offensive material (pornographic, racist images etc.)
- any article that has been or is likely to be used to commit an offence, cause personal injury or damage to property
- any other item that is considered harmful or detrimental to school discipline

A pupil might reasonably be asked to turn out their pockets or to hand over an item that is causing disruption. Staff will note however that the legal power to search pupils currently only extends to weapons and to authorised adults only (the Headteacher and Deputy Headteacher). Automatic consideration of a permanent exclusion will be given to serious incidents, including bringing a weapon on to school premises, carrying out an incident of serious violence or supplying an illegal drug.

6. TAKING ACCOUNT OF INDIVIDUAL PUPIL NEEDS (EQUALITY AND DIVERSITY)

Oxspring Primary School aims to foster a sense of community in which all pupils and staff are valued and can thrive, regardless of background, religion, race, language, ability/disability, sexuality, gender or age. We will not tolerate racism, sexism, negative attitudes towards disability and all other discriminatory practices.

At Oxspring Primary School, we strive to ensure that we do not discriminate through the application of the behaviour policy against pupils whose apparent inappropriate behaviour may be a function of their SEN, disability, racial and/or cultural background.

Therefore, when intervening with apparent inappropriate behaviour, all adults must accept that there will be circumstances in which some pupils may be treated differently from others, and are expected to take account of those individual pupil needs when applying sanctions.

7. THE USE OF REASONABLE FORCE

In order to maintain the safety and welfare of our pupils, it may sometimes be necessary to use reasonable force on a pupil, as permitted by law. Members of staff have the power to use reasonable force to prevent pupils committing an offence, injuring themselves or others, or damaging property, and to maintain good order and discipline in the classroom. This is only to be used when all possible options for giving the child time/space to regain self-control have been exhausted.

What is reasonable force?

From the DFE guidance 'Use of Reasonable Force' July 2013 (https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/444051/Use_of_reasonable_force_advice_Reviewed_July_2015.pdf) the term 'reasonable force' covers the broad range of actions used by most teachers at some point in their career that involve a degree of physical contact with pupils. Force is usually used either to control or restrain. This can range from guiding a pupil to safety by the arm through to more extreme circumstances such as breaking up a fight or where a student needs to be restrained to prevent violence or injury. 'Reasonable' in the circumstances' means using no more force than is needed.

The Headteacher and authorised school staff may also use such force as is reasonable given the circumstances when conducting a search without consent for knives or weapons, alcohol, illegal drugs, stolen items, tobacco and cigarette papers, fireworks, pornographic images or articles that have been or could be used to commit an offence or cause harm.

Reasonable force will be used only when immediately necessary and for the minimum time necessary to achieve the desired result and in order to prevent a pupil from doing or continuing to do any of the following:

- committing a criminal offence
- injuring themselves or others
- causing damage to property, including their own
- engaging in any behaviour prejudicial to good order and discipline at the school or among any of its pupils, whether that behaviour occurs in a classroom or elsewhere.

Force will never be used as a punishment. Whether it is reasonable to use force and to what degree, also depends on the age and understanding of the pupil and whether they have special educational needs or disabilities. Medical and specialist advice will always be sought about the safest way to hold pupils with specific health needs, special educational needs and disabilities. Relevant staff will be trained in the use of Team Teach which will be carried out by accredited staff from the Local Authority.

8. MIDDAY SUPERVISION

In the playground and the dining hall the dinner staff are expected to interact in a positive manner with the children. They have their own lunchtime stickers which they use to reward children. In addition, they inform the class teacher if a child has to be spoken to about any inappropriate behaviour. The class teacher then logs the behaviour and the child receives sanctions in line with the 'Good to Be Green' system. The sanctions are the same as at any other time of the day. Any serious problems are reported directly to the class teacher, Deputy Headteacher or Headteacher as appropriate.

9. PARENTS

The home is the most influential factor in a child's life, forming each child's attitudes, values and behaviour. All parents want their children to succeed and achieve their best throughout their school life. Co-operation between parents and staff is essential. If a pattern of unacceptable behaviour appears to be developing, parents will be contacted to work together with the school in solving the problem. A home-school book or a behaviour contract may be appropriate.

Parents can support school by helping us with the following:

- praising their child's good behaviour and achievements in school. Parents who focus on the positive will encourage their child to feel good about school.
- making sure children arrive and are collected in time.
- making sure children are not left unsupervised in the playground before school starts.

Liaison with Parents and Other Agencies

All staff, in liaison with the designated safeguarding leaders are here to support children and their families by helping them to identify and remove any barriers to learning, whether in a personal or academic role. We will provide interventions for pupils whose behaviour is, or potentially could become, a concern. The aim of these interventions is to provide a proactive, rather than reactive, level of support. During staff and pupil progress meetings, allocated time is spent for staff to discuss pupils for whom there are concerns or those whose behaviour is causing concern. In response to these discussions we ensure that these pupils have appropriate support and interventions. We will work closely with all staff, governors, outside agencies, pupils and their families.

At Oxspring Primary School, we actively support any individual who is experiencing behavioural difficulties. Our internal support and pastoral systems are complemented by additional assistance from services including:

- CAMHS- Children's and Adolescent Mental Health Service
- Local Early Help Teams
- Educational Psychologist
- School Health professionals.

When a child presents with challenging behaviour, staff will consider whether the behaviour under review gives cause to suspect that a child is suffering, or is likely to suffer, significant harm. Where this may be the case, school staff will follow the schools' safeguarding policy. They will also consider whether continuing disruptive behaviour might be the result of unmet educational or other needs. At this point, the school may also consider whether a multi-agency assessment is necessary. Referrals are made on a needs basis and are linked directly to priorities identified on individual pupil profiles. At all times communication with parents / carers is central to any access to external support.

10. CURRICULUM

One of our main aims in school is to encourage children to develop an interest in the curriculum as well as the motivation and perseverance to work effectively and independently.

Good behaviour is essential to this. Consequently the Social and Emotional Aspects of Learning will be addressed throughout the curriculum including RE, assemblies which focus on our core school values, circle time and the use of our PSHE Jigsaw scheme, as well as the values of citizenship and British Values. The five social and emotional aspects are:

- Self awareness
- Managing feelings
- Motivation
- Empathy
- Social skills

Through our pupil voice work and Pupil Parliament we consider the British values of:

- democracy;
- the rule of law;
- individual liberty;
- mutual respect for and tolerance of those with different faiths and beliefs and for those without faith.

We will also seek outside advice, support and training where necessary and target the use of Pupil Premium funding to break down individual barriers to learning as appropriate.

11. CIRCLE TIME

This activity will take place when necessary and linked to our PSHE curriculum / Jigsaw scheme of work. Children form a circle and take turns to speak. The adult structures circle time to provide an opportunity for all children to express their opinions with regard to matters directly affecting them. Circle time invites comment from others and promotes positive outcomes, which will benefit group as well as individual behaviour.

12. EXPECTATIONS FOR POSITIVE BEHAVIOUR OFF THE SCHOOL SITE

At Oxspring Primary School we have high expectations of the behaviour of our pupils when off school premises. This includes behaviour during activities arranged by the school, such as educational visits and sporting events; behaviour on the way to and from school; and behaviour when wearing school uniform in a public place.

We expect all children to adhere to school rules at all of these times and will deal with behaviour issues at these times using the guidance within this behaviour policies.

We also have a responsibility to ensure behaviour outside of school that may affect the wellbeing of children within school is dealt with appropriately. This can extend to the use of

social media / online safety if it has implications for a pupil's safety or relationships in school. Where we become aware of such incidents, they will be shared with families and /or other services to ensure that the school promotes safety and wellbeing for everyone at all times.

Outdoor learning and educational visits

We recognise the positive outcomes associated with learning outside the classroom and educational visits and will work to support pupils accessing these experiences in line with the Equality Act 2010. The safety of everyone is of paramount importance and appropriate risk assessments will be completed in line with the LA Educational Visits expectations. If it is felt that the behaviour of an individual child is likely to present a significant, unmanageable and unacceptable risk to the health, safety and welfare of either themselves, or other members of the group, or the leaders, consultations with the family / carers will take place prior to any outdoor learning activity or educational visit.

13. ALLEGATIONS OF MISCONDUCT AGAINST MEMBERS OF STAFF

All allegations will be dealt with in line with Barnsley BMBC Human Resources policy and Keeping Children Safe in Education September 2021.

Staff Development and Support

All staff have access to CPD to support with behaviour management as required as part of their professional development and also in line with updates to statutory guidance. CPD is targeted to staff's specific roles, responsibilities and individual training needs identified via school self-evaluation and appraisal. Staff are provided with professional development opportunities linked to behaviour management and support through staff inset, staff meetings, coaching and modelling. They are supported by the safeguarding leaders and Senior Leadership Team when managing behaviour, identifying solutions and implementing these. All staff are given advice on the de-escalation and behaviour management techniques and are told that only appropriately trained staff can restrain pupils. Staff may request to attend additional behaviour management training should they wish to do so.

14. COVID adaptations - Due to the COVID 19 pandemic we have had to introduce additional safety measures to the children in school. Most of these adaptations are now well established and children follow them well but where children do not follow the safety rules in place, the school's Behaviour Policy will be applied in all cases where verbal reminders have not been followed. Touching/playing with other people's belongings, food or water will not be allowed. Staying within safe boundaries at break times or in outdoor learning sessions will also be key. Children must stay within assigned areas and designated safe spaces when asked to do so. They must also follow the daily routines around hygiene like leaving common areas clean and tidy and regularly washing hands- especially after arriving at school, after using the toilet or before eating food.

15. Equal Opportunities and Inclusion

Oxspring Primary School is committed to working towards equality of opportunity in all aspects of school life. The school will work to ensure that the policy and programme is relevant to everyone regardless of gender, culture, faith, race, academic ability, sexuality or sexual orientation.

16. MONITORING AND EVALUATION

At Oxspring Primary School we wish to know if this policy is working fairly. Information gathered and analysed will reinforce good news stories about school improvement; contribute to school evaluation and inform discussions with staff, governors, pupils (including through the school council), parents and multi-agency staff about patterns of poor behaviour and steps taken to tackle it. Evaluation of data takes place each year and an analysis of the data will be provided to the Governing Board. The audit outcomes will inform our School Improvement Plan and look to address any priorities arising.

Appendix 1

Education and Inspections Act 2006 - Key Points

Following the enactment of the Education and Inspections Act 2006 there have been significant changes to the power of schools to discipline pupils:

Key Points

Power to discipline

- Schools have a statutory power to discipline pupils for breaches of school rules, failure to follow instructions or other unacceptable conduct.
- All teachers and other staff in charge of pupils have the power to discipline.
- The Headteacher may limit the power to apply particular sanctions to certain staff and/or extend the power to discipline to adult volunteers.

Outside school premises

- Schools have a statutory power to regulate the behaviour of pupils when off school premises and not supervised by school staff.
- Regulation must be reasonable. Schools should be clear about the factors they take into account in deciding whether a rule or sanction is reasonable.

Confiscation

- Schools can include confiscation of pupils' property as a disciplinary sanction in their behaviour policy.
- To be lawful, confiscation must be a reasonable sanction in the circumstances of the particular case.
- Decisions about retention and disposal of confiscated property must also be reasonable in the circumstances of the particular case.
- The Education and Inspections Act 2006 includes a specific statutory defence for school staff who have reasonably confiscated pupils' property.

Detention

- School staff have a statutory power to put pupils aged under 18 in detention after school sessions and on some weekend and non-teaching days.
- Detentions are lawful if:
 - pupils and parents have been informed that the school uses detentions as a sanction; and
 - the school gives parents 24 hours' notice of detentions outside school sessions.

Appendix 2

The rights and responsibilities of schools, pupils and parents in ensuring an orderly climate for learning.

At Oxspring Primary School we recognise that promoting positive behaviour is the responsibility of the school community as a whole. For our policy to be implemented comprehensively, we acknowledge that there are specific roles and responsibilities for stakeholders:

SCHOOL	
Rights	Responsibilities
<ul style="list-style-type: none"> •To make clear the school's statutory power to discipline pupils and that pupils and parents will need to respect this. •To enforce their school behaviour policy - including rules and disciplinary measures. •To expect pupils and parents' cooperation in maintaining an orderly climate for learning. •To expect pupils to respect the rights of other pupils and adults in the school. •Not to tolerate violence, threatening behaviour or abuse by pupils or parents. If a parent does not conduct himself/herself properly, a school may ban them from the school premises and, if the parent continues to cause nuisance or disturbance, they may be liable to prosecution. 	<ul style="list-style-type: none"> •To ensure the whole school community is consulted about the principles of the school behaviour policy. •To ensure that there is due recognition of the enhanced roles of support staff and not all responsibilities are focused on teachers. •To ensure staff are clear about the extent of their disciplinary authority and receive necessary professional development on behaviour strategies. •To support, praise and as appropriate reward pupils' good behaviour. •To apply sanctions fairly, consistently, proportionately and reasonably - taking account of SEN, disability and the needs of vulnerable children and offering support as appropriate. •To take all reasonable measures to protect the safety and well-being of staff and pupils, including preventing all forms of bullying and dealing effectively with reports and complaints about bullying. •To ensure staff model good behaviour. •To promote positive behaviour through

	<p><i>active development of pupils' social, emotional and behavioural skills.</i></p> <p><i>•To keep parents informed of their child's behaviour - good as well as bad.</i></p>
--	---

PUPILS	
Rights	Responsibilities
<ul style="list-style-type: none"> •To contribute to the development of the school behaviour policy, with every pupil involved in the consultation process. •To be taught in environments that are safe, conducive to learning and free from disruption. •To expect appropriate action from the school to tackle any incidents of violence, threatening behaviour, abuse, discrimination or harassment. •To appeal to the Head Teacher / governors, and beyond that to the Secretary of State, if they believe the school has exercised its disciplinary authority unreasonably. 	<ul style="list-style-type: none"> •To follow reasonable instructions by school staff, obey school rules and accept sanctions in an appropriate way. •To act as positive ambassadors for the school when off school premises. •Not to bring inappropriate or unlawful items to school. •To show respect to school staff, fellow pupils, school property and the school environment. •Never to denigrate, harm or bully other pupils. •To cooperate with and abide by any arrangements put in place to support their behaviour such as Pastoral Support Programmes or Parenting Contracts.
PARENTS	
Rights	Responsibilities
<ul style="list-style-type: none"> •To contribute to the development of the school behaviour policy. •To be kept informed about their child's progress, including issues relating to their behaviour. •To expect their children to be safe, secure and respected in school. •To have any complaint they make about their child being bullied taken seriously by the school and investigated / resolved as necessary. •To appeal to the Head Teacher / governors, and beyond that to the Secretary of State, if they believe the school has exercised its disciplinary authority unreasonably. 	<ul style="list-style-type: none"> •To respect the school's behaviour policy and the disciplinary authority of school staff. •To help ensure that their child follows reasonable instructions by school staff and adheres to school rules. •To send their child to school each day punctually, suitably clothed, fed, rested, and equipped and ready to learn. •To ensure school staff are aware of any SEN-related or other personal factors which may result in their child displaying behaviours outside the norm. •To be prepared to work with the school to support their child's positive behaviour. •To attend meetings with the head teacher or other school staff, if requested, to discuss

<p><i>•To appeal against a decision to exclude their child, first to the governing board of the school and then - in cases of permanent exclusion - to an independent appeal panel.</i></p>	<p><i>their child's behaviour.</i></p> <p><i>•To adhere to the terms of any Parenting Contract or Order relating to their child's behaviour.</i></p>
