Headteacher: Mrs Sharon Irwin

9th September 2016

Dear Parents/Carers

Home School Agreement

Further to the welcome back letter which mentioned the Home School Agreement, I am writing to provide further details.

The staff and governors are constantly working together to review, and improve our policies, practices and procedures. Following a recent review, it has been decided to, firstly, update our Home School Agreement and secondly, to give this important document a much greater prominence in the life of our school.

Today your child will bring home a copy of our Home School Agreement. The document is in recognition of the partnership between children, parents and school. It clarifies our responsibilities and is a joint declaration of working together to achieve the very best for our children.

Please could you take the time to read and discuss this with your child. Your signed agreement should then be returned to school by Friday 16th September please, where a copy will be retained by the school and another sent home.

In line with our school improvement plan priorities, we are fully committed to further enhancing our work with parents and carers and acknowledge the essential role that parents and carers have in their child's education. By agreeing to work together in such a manner and abiding by the aims of the agreement we aim to further extend our positive partnership with families, which will ultimately impact on the outcomes for all our children.

Many thanks in anticipation of your support.

Kind regards

Sharon Irwin
