Dear Parents and Carers

Accessibility

As part of our commitment to removing as many barriers to learning as we possibly can, we are creating a dedicated space on the far side of the playground (next to the second set of double gates) for a blue badge holder to be able to park safely and allow any passenger with significantly reduced mobility to enter school with the minimum of disruption. There will be a member of staff available to assist as appropriate.

If any parent or carer requires this facility please contact Mrs Irwin or Mr West so that we can put in place the appropriate arrangements.

Kind Regards

Pam Heggie
