

## Word and Money puzzle

1. Write out the alphabet
2. Give each letter a value starting with a=£1, B= £2, C= £3 up to z = £26
3. How much is your first name worth?
4. If vowels are worth double money, how much is the name Tallula worth?
5. Staying with double money for vowels, how much is your teacher worth, be careful how you answer this!!
6. What would be the most expensive day of the week? How much is this day worth? (remember vowels are worth double?)

### Challenge

Can you be the one in your class who finds the most expensive answer to each of the four categories?  
(remember vowels are worth double?)

- a. Most expensive footballer's surname
- b. Most expensive pop band's name
- c. Most expensive City name
- d. Most expensive T.V. Programme.

### The Ultimate Challenge

Can you find the name of a football team who's name would add up to £100?
