Dear Parents / Carers

### Feedback

On behalf of all the staff, governors and pupils, I would like to say an enormous 'thank you' for your incredibly positive comments and feedback during our Ofsted inspection yesterday. We were all simply overwhelmed by the written comments and the responses on Parent View which are greatly appreciated by every single member of our team.

Many thanks also to the people who spoke to the Inspector after school yesterday - again for the exceptionally supportive feedback.

As you may be aware, due to statutory guidance, we are unable to share the outcome of the inspection just yet until the quality assurance process has taken place. Once this has been completed, the inspector's findings are published in a report for the school, parents and the wider community. This will be shared with you as soon as we are able to do so.

I would like to take this opportunity to say a personal 'thank all' to you and your fantastic children, as well as to our amazingly dedicated staff team and governors for their hard work and commitment.

Kind regards

Sharon Irwin
