11th November 2019

Dear Parents/Carers,

National Non-Fiction Month

To celebrate 'National Non-fiction November', we are once again running our exciting competition where the children have been challenged to find amazing, interesting or fascinating facts to amaze the teachers.

In order to encourage reading, the facts must come from books, leaflets, posters, the internet etc, rather than television shows, and can be found at school or at home. The children can write the book title and amazing fact on a slip (available in each classroom) and these will be collected at the end of the month. Each teacher will then read through the slips from a different class than their own and choose their favourite, most mind blowing fact. The winning children will receive a prize in a celebration assembly, where we will share their facts with the whole school.

Children can write as many slips as they wish over the month. It would be great if you could encourage your children to take part in this fun activity. You could even challenge each other to find the most interesting/amazing facts at home.

I have already spoken to the children about this challenge and had a fantastic response so I look forward to reading their entries at the end of November. For further details and resources about National Non Fiction Month's theme this year ('Transport and Travel Around the World') please visit the link <http://fcbg.org.uk/national-non-fiction-november-2019/> . A recommended book list can also be found here.

Thank you for your continued support.

Mrs A Tomlinson
Reading Subject Leader
