

Please find below the homework grid for this half term. Our topic this half term is **Investigating India!** There are opportunities for writing, maths and creativity. Please feel free to record it using photographs, videos, models, drawing and writing. Homework should be **completed once a week**, and returned by a Thursday into the homework drawer outside the classroom. Homework that has been returned will be marked, and shared, on Friday.

In addition, maths homework on mymaths.co.uk will be set once a week for year 2s, and once a fortnight for year 1s. Spellings are sent out on a Monday, to be tested on a Friday.

Please read as much as possible with and to your child, as this is vital for their reading skills to develop, and will help to create a reading culture within our classroom.

Research the Indian flag. Can you recreate it?	India is in Asia. Can you make a list of other countries in Asia?
Indian food is tasty! Can you follow a recipe to make some? Can you try some?	Go to the shops - can you find any food that comes from India?
