1	I think I would be good at being the Class 1 MP because I am really good at working with the younger children. Also, I am responsible and very organised. The reason why you should pick me is because I will listen to everything that you will say. I have strong opinions and will always do what is best for the school and for other children. I also feel that I have good leadership skills and work well as part of a team.	
2	I think I would be a good class MP because if you ever had any ideas to improve the school, I would listen carefully. I will help you with school and any of your problems. I will always be there to help! Please vote for me and thank you for reading.	
3	Hi! I would like to be in Pupil Parliament because I have good ideas popping into my head all the time and I also listen to everyone's ideas too. I am friendly and helpful and easy to come to. I love helping people so I will help you make the school a better place to learn. So please vote for me and I will help you. I am happy to run for any class.	
4	I think that I should be an MP because I am good at listening when people have ideas and I don't mind losing break times to do work. I am not shy so I will stand up in assemblies and talk. In addition, I will greet visitors as kindly as possible.	
5	I have previously been an MP who helped with developing The Green, class surgeries and assemblies. So, I learnt many important skills such as: how meetings work; how the parliament runs; how a Governors' meeting runs and how to listen and think about other people's ideas. I have family members from all classes; this means I have a wide view of what people want. I loved being an MP and I would really like to do it again to help make your class more fun!	
6	I would make a good MP because I am responsible. Here are my qualities: <ul style="list-style-type: none"> • I am a good friend with pupils of all ages • I like helping others and being kind to them. • I'm confident in talking to small and large groups of people • I help people when they fall over • I am a good listener and take on board what people say to me • I can help people in areas that they need help in which I am good at, such as maths and reading • Helping to organise events is something that I don't know much about but I want to learn about it. Please pick me to be your MP.

Key Stage 2

N u m b e r	Manifesto	Pupil
1	<p>Hello, the first reason that you should vote for me is: I am responsible, mature and kind, This would be a great help in the Pupil Parliament because these values are ones that you will need. The second reason you should vote for me is that I am enthusiastic. I also enjoy solving problems. I am a good listener, as well as being friendly and approachable. I will be organised. I am willing to stand up and speak for what you want for the school. I will listen to you and will not force you if you don't want to speak to me.</p>	
2	<p>I know that I will make a successful MP because I am a dedicated and responsible person. I am also willing to give up my playtimes and lunchtimes to help. I am full of great ideas and every single voice will be heard. I am also very friendly! I'm a very confident person and I have no problem speaking in assemblies. If you vote for me, you vote for better! For instance, I think that we should have more school trips (this will increase the children's learning and fun) and for that we need to raise more money. In addition, we should have more fairs and bake sales.</p>	
3	<p>I would make a good MP and I don't care which class you put me in. I want to make school a better place for us all. I am a good listener, good at speaking in assemblies and here to listen to everyone. I know that I would be an asset MP to the pupil voice and to the school.</p>	
4	<p>I would like to be an MP because I am kind, helpful, responsible and considerate. I want to work with pupils, staff and the PTA to make our school even better. I also have some good fundraising ideas. I would help and represent the class by going in and talking to the class and reminding them of the suggestion box. I would also like to set up a Pupil Parliament shelter or stand so people can come and talk to us at playtimes.</p>	
5	<p>I would like to be a Pupil Parliament MP because I am kind, caring and want to help people. I enjoy helping and supporting my friends and other children in the school, and the teachers. If chosen to be an MP, I would listen to everyone and make sure that everyone's ideas are heard. I look forward to helping in the school, meeting new people and learning new things. I understand that sometimes it might be hard to make everyone happy but I will work hard to be fair.</p>	
6	<p>I would like to be an MP because I am kind and like to help others. I could help some of the younger ones who lack confidence. I would ask nice questions about what was wrong and then help them with their problems.</p>	
7	<p>I think I should be an MP because I have one year's experience. From the past year, I have learnt to be inclusive with each and every one in school. I treat everyone as an individual. I have visited the Houses of Parliament. This means that I have an idea of what the role of an MP is. I will listen to my class and I'm prepared to stand up for what I believe is right. I'm kind and caring and a good listener and I will help solve any problems. You can trust me to be the voice for your class to keep our school the best place to learn new and exciting things in a lovely place.</p>	

8	I think that I would make a good MP because I can listen in meetings and if they are at playtime I will stay in. I will listen to what other MPs say. I will come up with sensible ideas and not with silly ideas. I will be confident to say something in assembly and speak for the children here. I won't be nervous to greet visitors. I will help and support all the other pupils and listen to their views of any issues they may have. I can't wait to be a Class 4 MP.	
9	I feel I would make a good MP because I am experienced in the job as I have done it before. I will take ideas from the children of which class I represent. I don't mind which class I represent – all I want to do is make our school even better as we have done in the past year.	
10	I want to be an MP because I'm dedicated and enthusiastic and I will listen to what you have to say. I know that there is no right or wrong and I will give up playtimes to help you and others. Last year I was an MP and we wrote down what they wanted for school and got most of it done. So this year I would like to continue the great work everybody did last year and continue to represent pupils at the school as their MP.
