

Class 4 Homework Grid

Spring 1 2020

Below is Class 4's homework grid for our topic **Around the World in 80 days**. Home learning can be recorded in a variety of different ways such as photographs, drawings, models and sent to me via email (j.garlick@oxspringprimary.co.uk). So please feel free to be as creative as you like! Please choose 1 or 2 of the tasks below.

In addition to our home learning grid, the children have access to **MyMaths**, **TTRockstars** and **Spelling Shed** (further details to follow).

Also, please read as much as possible with your child. Fluency in reading is an important skill and reading will help fuel imagination and other areas of our curriculum.
