

Class 5 homework grid autumn 2 2020

Please encourage your child to complete at least two of the homework activities from the grid below over this half term. I only ask that two be completed as I appreciate the time already being asked to complete spellings and reading regularly as well as the MyMaths tasks.

Play monopoly with your family and record any profits and losses!	Look at the clothing in your wardrobe and list all the different countries where items were made and highlight on a map of the world.	Record the amount and type of waste that your house produces each week and how much of it can be recycled.
Create a poster identifying what materials can be recycled	Create a piece of art work using a range of recycled materials.	Look on a map and identify the different Christian churches and chapels in your area. Use google maps and note the similarities and differences.
Use a website such as Argos and find your 10 items you would put on your wish list. Calculate the cost if each one was discounted by 1/10 (10%)	Create a water colour painting of your garden or local area.	Research a range of countries from across the continents and find what resources/ products are their greatest exports.
