

Please find attached a homework grid for this half term. We share our homework weekly to the class, and children enjoy talking and answering questions about what they have learnt at home. Homework can be handed in any time, and it will be shared on a Friday. There are opportunities for writing, maths, art, science and creativity below.

In addition, homework is set on MyMaths.co.uk. If you have any problems logging on to MyMaths, please let me know - [s.grobler@oxspringprimary.co.uk](mailto:s.grobler@oxspringprimary.co.uk)

<p>We are learning about the seven continents this half term. Can you choose one to research? Present your findings as a PowerPoint, a poster or a video!</p>	<p>We are learning about the five oceans this half term. Can you make a list of the different animals you might see in the ocean?</p>
<p>Can you keep a weather diary for a week? Record what the weather is like for Monday, Tuesday, Wednesday etc. You could write sentences, draw pictures and include the temperature.</p>	<p>Can you make a map of the world? Be creative - you could use different materials from around your home, natural objects from the garden or play dough like these children! <a href="https://youtu.be/FWRnKOvCP60">https://youtu.be/FWRnKOvCP60</a></p>
<p>Go on an autumn hunt and look for signs of autumn. What things can you see? Write a list of what you find, take photographs or sketch what you have found.</p>	<p>Try this virtual scavenger hunt in deserts around the world. <a href="https://pbskids.org/plumlanding/games/explorer/explore_the_outback.html">https://pbskids.org/plumlanding/games/explorer/explore_the_outback.html</a></p>
<p>Design and make an ice lolly!</p>	<p>Design an outfit an explorer would wear if were to visit a polar region.</p>
<p>Borrow a book about the Arctic or Antarctica from the library. Share it with your family or bring it into school.</p>	<p>Create your own fire work picture using different materials.</p>
<p>Make a boat using materials from around your house to travel to the polar regions.</p>	<p>Year 1s - practise pairs to make 10 Year 2s - practise pairs to make 100/20. Use hit the button on top marks to help!</p>
<p>Challenge: Can you go on Numbots 3 times a week at home? Even ten minutes will help your maths skills! You'll get quicker at recognising numbers and recalling facts too. Need a log on reminder? Let me know!</p>	<p>Challenge: Can you read every day at home? You don't have to read a school book - it could be a picture or story book from home, the library or even a comic book! Try to read for five to ten minutes each day.</p>
