

Please find below the homework grid for this half term. Our topic question this half term is ‘What can we learn from the Great Outdoors in Oxspring?’ There are opportunities for writing, maths and creativity. Please feel free to record it using photographs, videos, models, drawing and writing. Homework may be **completed once a week**, and returned by a Thursday onto the homework shelf outside the classroom. Homework that has been returned will be marked, and shared, on Friday.

Spellings are sent out on a Monday, to be tested on a Thursday. **Please practise these at home.**

Please read daily with and to your child, as this is vital for their reading skills to develop, and will create a reading culture within our classroom.

<p>Make a map of the street where you live. Challenge – include a key</p>	<p>Go on a minibeast hunt. Challenge – create a bar chart to show what creatures you saw</p>
<p>Do you have a pet? Write about it. Challenge – write instructions on how to look after your pet</p>	<p>Write an acrostic poem for Oxspring</p>
<p>Write a story about our school! Challenge – include the conjunctions and, when, because</p>	<p>Can you write a short saying to remember the directions of a compass?</p>
<p>Practise your division facts by using your times tables knowledge. If 10×7 is 70, 70 divided by 10 will be ?</p>	<p>Practise your double and halving facts to 20. If double 10 is 20, what is half of 20?</p>
<p>Go for a sensory walk around Oxspring. Take photographs of the different things you can see/hear/smell.</p>	<p>We have mammals, fish, birds, reptiles and amphibians. Can you write a list of 5 each?</p>
<p>Design your own animal – will it have wings? Sharp claws? Fur? What will it eat?</p>	<p>Write a shopping list, and look for the different prices in the shops. Are they in pence or pounds? How do you say the different prices?</p>
