

Curricular Targets for the children to achieve by the end of Reception

To be a successful member of our class community by being kind to others, resolving conflicts in appropriate ways and showing care to others.

To choose your own resources and put them away when you've finished.

To talk confidently about something that interests you to adults and children.

To write simple sentences through your play.

To make up your own story.

To independently play a maths game with your friends.

To design and make a model in the creative area.

To create and explore your own obstacle course.
